

First, we'd like to wish everyone a very Happy New Year and hope 2014 brings all the best to your family and friends.

2014 marks the first year in automotive history that a vehicle manufacturer has reached a milestone so incredible as to have a model offered for fifty CONTINUOUS years of production! Chevrolet celebrated 50 years of Corvette history, but with the absence of the 1983 model year, they cannot claim 50 years of continuous production. That makes "Mustang" the first to reach this milestone. The icing on the cake...the Chinese calendar has designated 2014 as the YEAR OF THE HORSE!

50th Anniversary Cruise to North Carolina – April 16-20

This year, Ford and Mustang Club of America (MCA) will celebrate this milestone with two simultaneous anniversary parties in the United States. One will take place in Las Vegas, NV and the other in Charlotte, NC from April 16th to 20th. If you don't have any plans for Easter, join us for the cruise to North Carolina (we leave on the 15th) and be a part of one of the biggest parties North America will ever see! Details are available on our Facebook page as well as on the MCA dedicated website www.mustang50thbirthdaycelebration.com. Remember to sign up, update your passports and get your Mustang in shape to make the 2400km round trip to North Carolina. We want to make a huge Canadian impact on this show and hope to compile at least 200 Mustangs for the trip.

SickKids[®]

Open House Kick-Off Party - February 15th @ 6:pm

We are starting the celebration early this year! On **February 15th**, we will be hosting a party at our facility benefiting Sick Kids Hospital. The presidents of three local Mustang clubs will be in attendance to deliver their event dates. They will also have sign up sheets for anyone wishing to become a member. Al Tucci will be joining us to MC the event and recount stories that are sure to make you "LOL" (laugh out loud), old videos from the 80s and 90s, vintage magazines for sale and more. We will also be providing food and beverages (non-alcoholic) for everyone. Tickets are \$20 per person, children 12 and under are free. We will also have a Texas Hold'em tournament, entry fee \$40 and the winner will receive a trip for two to Las Vegas! All entry fees from this show will be donated to Sick Kids Hospital as part of our fund raising efforts this year. So bring your appetites, bring your stories, bring your families and settle in for a great party.

Sick Kids Show and Shine

Our Annual Charity Fund Raiser for Sick Kids Hospital is scheduled for **Sunday, June 1st, 2014**. Rain or shine, we will be raising money for this amazing foundation to help them continue to save the lives of children and give them the opportunity to live a full life. If you've never heard of (or been to) this event in the past, it has been extremely successful in helping the Sick Kids Foundation. Past events have included Mike Holmes, Al Tucci, Zoo to You, King of the Dyno competitions, Raffles, 50/50 draws, Ford Canada Blog, show and shine and more! Last year we raised over \$20,000 for this foundation and we aim to increase that total this year. Please mark your calendars now!

In other news....

Canadian Street Car Nationals – We are not running this event this year, we are taking a step back to re-evaluate and make some changes in the future. Many thanks to all of our participants, sponsors and friends who have supported this event year after year. This is not the end of CSCN, but a chance to reformat and keep it current. Please check our Facebook page and website for updates on CSCN events.

Track Day:

We will be having a Spring & Fall track day, the dates have not yet been scheduled so please stay tuned to Facebook and our website for those updates.

Winter projects

The response to our winter projects program has been overwhelming and incredibly successful! We have had folks rebuilding motors, minor overhauls, custom builds and more! This year is going to be extremely busy for the global Mustang community with all the festivities happening all over North America. If you are planning on getting some work done on your vehicle, we urge you to plan well enough in advance to meet your timing requirements. Please don't wait until the last minute or "when the car comes out of storage". Until March 20th, we have a free pick up and delivery service in our enclosed trailer for any job over \$3500 (before taxes), within 100km from our shop. Take advantage of this amazing deal and make sure your Mustang is ready when the weather breaks! Our shop has been extremely busy over the last few months; so much, in fact, that we're looking for some additional help in the shop!

Wanted - We're looking for used/take-off parts in good condition. Call us with what you've got, before heading down with the parts.

To join us on Facebook, search for DaSilva Racing's page and click on "like". Step 2 – Enjoy!
